LOAN MODIFICATION AGREEMENT

This Loan Modification Agreement ("Agreement"), made this 2nd day of April, 2010, between [REDACTED] (the "Borrower(s)") and BAC Home Loans Servicing, LP (the "Lender"), amends and modifies the Note and Security Instrument (the "Security Instrument"), dated the 16th day of May, 2006 in the amount of 412,600.00, and (2) the Note bearing the same date as, and secured by, the Security Instrument, and (3) any prior agreements or modifications in effect relative to the Note and Security Instrument which cover the real and personal property described in the Security Instrument and defined therein as the "Property", located at [REDACTED], NATIONAL CITY, CA 91950.

The real property described being set forth as follows:

"SAME AS IN SAID SECURITY INSTRUMENT"

In consideration of the mutual promises and agreements exchanged, the parties hereto agree as follows (notwithstanding anything to the contrary contained in the Note and Security Instrument)

1. As of the 1st day of May, 2010, the amount payable under the Note and Security Instrument (the "Unpaid Principal Balance") is U.S. \$427,254.89, consisting of the amount(s) loaned to the Borrower by the Lender which may include, but are not limited to, any past due principal payments, interest fees and/or costs capitalized to date. All costs and expenses incurred by Lender in connection with this Agreement, including recording fees, title examination, and attorney's fees, shall be paid by the Borrower and shall be secured by the Security Instrument, unless stipulated otherwise by Lender.

2. The Borrower promises to pay the Unpaid Principal Balance, plus interest, to the order of the Lender. Interest will be charged on the Unpaid Principal Balance for the first 5 years of the modified term at the yearly rate of 3.250% from the 1st day of May, 2010. The Borrower promises to make monthly payments of principal and interest of U.S. \$2,026.18 beginning on the 1st day of June, 2010.

Beginning on the first day of the 6th year, interest will be charged at the yearly rate of 4.250% from the 1st day of May, 2015. The Borrower promises to make monthly payments of principal and interest of U.S. \$2,221.03 beginning on the 1st day of June, 2015.

Beginning on the first day of the 7th year, interest will be charged at the yearly rate of 5.250% from the 1st day of May, 2016. The Borrower promises to make monthly payments of principal and interest of U.S. \$2,417.60 beginning on the 1st day of June, 2016.

Beginning on the first day of the 8th year, interest will be charged at the yearly rate of 5.375% from the 1st day of May, 2017. The Borrower promises to make monthly payments of principal and interest of U.S. \$2,441.79 beginning on the 1st day of June, 2017, and continuing thereafter on the same day of each succeeding month until principal and interest are paid in full. If on the 1st day of June, 2036 (the "Maturity Date"), the Borrower still owes amounts under the Note and Security Instrument, as amended by this Agreement, the Borrower will pay these amounts in full on the Maturity Date.

3. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by the Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by the Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower.

4. Borrower also will comply with all other covenants, agreements, and requirements of the Security Instrument, including without limitation, Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that Borrower is obligated to make under the Security Instrument; however, the following terms and provisions are forever annulled, null and void, as of the date specified in paragraph No. 1 above:

(a) all terms and provisions of the Note and Security Instrument (if any) providing for, implementing, or relating to, any change or adjustment in the rate of interest payable under the Note, including, where applicable, the Timely Payment Rewards rate reduction, as described in paragraph 1 of the Timely Payment Rewards Addendum to Note and paragraph A.1. of the Timely Payment Rewards Rider. By executing this Agreement, Borrower waives any Timely Payment Rewards rate reduction to which Borrower may have otherwise been entitled; and

(b) all terms and provisions of any adjustable rate rider, or Timely Payment Rewards Rider, where applicable, or other instrument or document that is affixed to, wholly or partially incorporated into, or is part of, the Note or Security
