Note secured by the Mortgage. The Mortgage and Note together, as they may previously have been amended, are referred to as the "Loan Documents." Capitalized terms used in this Agreement and not defined have the meaning given to them in Loan Documents.

I understand that after I sign and return two copies of this Agreement to the Lender, the Lender will send me a signed copy of this Agreement. This Agreement will not take effect unless the preconditions set forth in Section 2 have been satisfied.

1. **My Representations and Covenants.** I certify, represent to Lender, covenant and agree:

- A. I am experiencing a financial hardship, and as a result, (i) I am in default under the Loan Documents or my default is imminent, and (ii) I do not have sufficient income or access to sufficient liquid assets to make the monthly mortgage payments now or in the near future;
- B. One of the borrowers signing this Agreement lives in the Property as a principal residence, and the Property has not been condemned;
- C. There has been no impermissible change in the ownership of the Property since I signed the Loan Documents. A permissible change would be any transfer that the lender is required by law to allow, such as a transfer to add or remove a family member, spouse or domestic partner of the undersigned in the event of a death, divorce or marriage;
- D. I have provided documentation for all income that I receive (and I understand that I am not required to disclose child support or alimony unless I chose to rely on such income when requesting to qualify for the Home Affordable Modification Program ("Program"));
- E. Under penalty of perjury, all documents and information I have provided to Lender in connection with this Agreement, including the documents and information regarding my eligibility for the Program, are true and correct;
- F. If Lender requires me to obtain credit counseling in connection with the Program, I will do so; and
- G. I have made or will make all payments required under a trial period plan.

2. **Acknowledgements and Preconditions to Modification.** I understand and acknowledge that:

- A. If prior to the Modification Effective Date as set forth in Section 3 the Lender determines that any of my representations in Section 1 are no longer true and correct or any covenant in Section 1 has not been performed, the Loan Documents will not be modified and this Agreement will terminate. In that event, the Lender will have all of the rights and remedies provided by the Loan Documents; and
- B. I understand that the Loan Documents will not be modified unless and until (i) the Lender accepts this Agreement by signing and returning a copy of it to me, and (ii) the Modification Effective Date (as defined in Section 3) has occurred. I further understand and agree that the Lender will not be obligated or bound to make any modification of the Loan Documents if I fail to meet any one of the requirements under this Agreement.

3. **The Modification.** If my representations and covenants in Section 1 continue to be true in all material respects and all preconditions to the modification set forth in Section 2 have been met, the Loan Documents will automatically become modified on August 1, 2012 (the "Modification Effective Date") and all unpaid late charges that remain unpaid will be waived. I understand that if I have failed to make any payments as a precondition to this modification under a trial period plan, this modification will not take effect. The first modified payment will be due on August 1, 2012.

A. The Maturity Date will be: September 1, 2045.

B. The modified principal balance of my Note will include all amounts and arrearages that will be past due as of the Modification Effective Date (including unpaid and deferred interest, fees, escrow advances and other costs, but excluding unpaid late charges, collectively, "Unpaid Amounts") less any amounts paid to the Lender but not previously credited to my Loan. The new principal balance of my Note will be \$427,763.30 (the "New Principal Balance"). I understand that by agreeing to add the Unpaid Amounts to the outstanding principal balance, the added Unpaid Amounts accrue interest based on the interest rate in effect under this Agreement. I also understand that this means interest will now accrue on the unpaid Interest that is added to the outstanding principal balance, which would not happen without this Agreement.

C. Interest at the rate of 2.000% will begin to accrue on the New Principal Balance as of July 1, 2012 and the first new monthly payment on the New Principal Balance will be due on August 1, 2012. My payment schedule for the modified loan is as follows:

3/09 (rev. 8/09) (page 3 of 11 pages)

Years	Interest Rate	Interest Rate Change Date	Monthly Principal and Interest Payment Amount	Estimated Monthly Escrow Payment Amount*	Total Monthly Payment*	Payment Begins On	Number of Monthly Payments
1-5	2.000%	July 1, 2012	\$1,471.24	\$488.63 May adjust periodically	\$1,959.87 May adjust periodically	August 1, 2012	60
6	3.000%	July 1, 2017	\$1,666.50	May adjust periodically	May adjust periodically	August 1, 2017	12
7-34	3.625%	July 1, 2018	\$1,791.65	May adjust periodically	May adjust periodically	August 1, 2018	326

*The escrow payments may be adjusted periodically in accordance with applicable law and therefore my total monthly payment may change accordingly.

The above terms in this Section 3.C. shall supersede any provisions to the contrary in the Loan Documents, including but not limited to, provisions for an adjustable, step or simple interest rate.

I understand that, if I have a pay option adjustable rate mortgage loan, upon modification, the minimum monthly payment option, the interest-only or any other payment options will no longer be offered and that the monthly payments described in the above payment schedule for my modified Loan will be the minimum payment that will be due each month for the remaining term of the Loan. My modified Loan will not have a negative amortization feature that would allow me to pay less than the interest due resulting in any unpaid interest being added to the outstanding principal balance.

- D. I will be in default if I do not comply with the terms of the Loan Documents, as modified by this Agreement.
- E. If a default rate of interest is permitted under the Loan Documents, then in the event of default under the Loan Documents, as amended, the interest that will be due will be the rate set forth in Section 3.C.
