Dear [Redacted]

Congratulations! You are approved to enter into a trial period plan under the Home Affordable Modification Program! This is the first step towards lowering your mortgage payments. Please read this letter so that you understand all the things you need to take now to lower your mortgage payments permanently.

What you need to do...

To accept this offer, you must make your first monthly "trial period payment." To qualify for a permanent modification, you must make the following trial period payments in a timely manner:

MICHAEL GADDIS

1st payment: \$2,064.45 by 10/1/2011
2nd payment: \$2,064.45 by 11/1/2011
3rd payment: \$2,064.45 by 12/1/2011

After all trial period payments are timely made and you have submitted all the required documents, your mortgage will be permanently modified. (Your existing loan and loan requirements remain in effect and unchanged during the trial period.) If each payment is not received by IndyMac Mortgage Services in the month in which it is due, this offer will end and your loan will not be modified under the Making Home Affordable Program.

If you have any questions or if you cannot afford the trial period payments shown above but want to remain in your home, or if you have decided to leave your home but still want to avoid foreclosure, please call us at 1.800.761.0744 as we may be able to help you. (Also, please review the attached "Frequently Asked Questions.")

The Making Home Affordable Program was created to help millions of homeowners who are unable to make their mortgage payments. As part of this program, we, your mortgage servicer, and the U.S. Department of Housing and Urban Development are working to offer you options to help you stay in your home.
